*Convenient, affordable, flexible, **vacation friendly**, fun way
to Accelerate or Recover Credits this Summer*

At Tulsa Hope Academy and EdOptions, we believe everyone is entitled to a quality education.

By partnering together we can provide flexible and affordable options for Summer School, so that every type of student can enroll in the accredited online high school courses and programs they need to fulfill their unique academic goals. There are no additional fees, except for a \$50 initial set-up fee. EdOptions Online Academy does not require students to purchase books or any other materials.

Our community also benefits since all the proceeds go directly to our programs for disadvantage and at-risk youth!
